1. Print this on a light cream-colored paper. 2. Score and fold along the blue marks. 3. Apply glue to the interior side. 4. Fold and press firmly or burnish carefully. Cut along the green lines, then round the corners. Laminate the cards, then trim them so that a small border of plastic remains. 5. Round the corners of the laminated edges and punch out the grey circle at the top. Eklptic11/17v1
