

SECTION 5: ABOUT THIS KIT

LAST OF ALL IS MYSELF, WILLIAM.

I'VE BEEN GOING UNDER THE USERNAME HAYSTACK HAIR SINCE I WAS 14.....WELL I'M 19 AT THE MOMENT SO YOU CAN DO THE MATHS ON THAT ONE.

IT'S NOT A NAME WHICH EXACTLY CONJOURS UP IMAGES OF MODEL KITS AND CRAFTS STRAIGHT AWAY, BUT IT'S A NAME THAT'S STUCK, AND FRANKLY IT'S A NAME I CAN BE PROUD OF.

I THINK I'VE ALWAYS BEEN A MAKER, AND WHEN I BOUGHT MY FIRST MPC FALCON BACK IN 2013, THE FIRST THING I DID WAS LOOK FOR AFTERMARKET KITS, WHICH ALL SEEMED TO BE IMPOSSIBLE TO GET HOLD OF

THE SECOND THING I DID WAS MAKE A REAL HACKJOB OF THAT MPC MODEL, BUT I LEARNT A HUGE AMOUNT IN DOING SO

A LONG STORY SHORT? IF YOU CAN'T GET IT, MAKE IT. .

THE FORCE WILL BE WITH YOU
ALWAYS

WILLIAM

CREDITS & REFERENCES

Special Thanks to John Stuart (Jaitea of the RPF) and most of all my good friend Jason Lake (of LSA Models), who both gave me a wealth of encouragement even when my skills were nothing to write home about

Most, if not all reference photographs provided are licensed under the Creative Commons Act for free use commercially according to the Terms & Conditions laid out by Flickr.com

Likewise all fonts and programmes used are either public domain or open source

If you find an issue with the references and photographs I have cleaned, edited, and printed in this booklet, please contact me via my Facebook page facebook.com/haystackhair
